

July 22, 2026

Dear Pastor and Advocate for Life,

Please mark your calendar for the next Life Chain:

Sunday, October 4th, 2026 2:30-3:30pm.

We are called to “speak for the speechless” in Proverbs 31:8 and that is what Life Chain does through professionally printed signs.

The provisional number of abortions for 2025 (according to the Oregon Health Authority) is 10,204 abortions performed in Oregon. From Marion and Polk counties the number of abortions in 2025 was 1,027. We still have a long way to go in speaking the truth about abortion to our community.

Please save the date for this year’s Life Chain, plan to take a stand for the Little Ones (“fetus” in Latin), and encourage your congregation to do the same.

Together in Christ,

Marie Chinn
Life Chain Coordinator, Salem Area
